

# MSC SOCCER CAMP

## Camp Philosophy

The Muscatine Soccer Camp will allow players of all abilities to get the touches on the ball that they need to get to the next level, while having fun at the same time. Individual skills will provide the foundation of the camp, while small sided games will allow the players to practice the newly learned skills in a fun challenging environment. The emphasis of the camp staff is to share their knowledge and most importantly their love of the game with the campers.

## Camp staff
